

eCourier deliver Macmillan Celebrity Christmas Stockings

ecourier.co.uk, Europe's fastest growing same day, next day and international courier company was delighted to sponsor Macmillan Cancer Support's Celebrity Christmas Stocking Auction, by delivering the stockings to the lucky winners.

This exclusive event invited 15 celebrities, including **Kevin Spacey, Andie MacDowell, Torvill & Dean, Anya Hindmarch** and **Lulu** to create their dream Christmas stockings, which were then auctioned off to the highest bidder during a glamorous evening at the Waldorf Hilton Hotel on 5th December 2008.

In true celebrity style, stocking wish-lists included a stay at the China Club Beijing, Clive Christian perfume, Barton Perriera sunglasses, dinner at the Harvey Nichols Fifth Floor Restaurant, and exotic holidays to the Maldives and Barbados.

The stockings, which also included a personal item from each celebrity, caused a bidding frenzy amongst the 400 guests, raising an incredible £110,000 to help improve the lives of people affected by cancer. Macmillan Cancer Support is a force for change: listening to people affected by cancer and working together for better cancer care through practical, medical, emotional and financial support.

BOILER PLATE

Since our launch in 2004, eCourier.co.uk has revolutionised London's courier industry with a combination of pioneering and unique technology, unrivalled delivery times and a customer experience which differentiates our business from traditional courier companies.

We are the only courier worldwide with an artificial intelligence system which automates allocation, booking and real-time online tracking, enabling the company to manage a near limitless number of couriers with an exceptional customer service. 80% of customers who have already tried the eCourier.co.uk free trial have converted from their previous supplier; they are the true measure of the company's success and a testament to the company's slogan 'Happiness Delivered'.

ecourier.co.uk has doubled in size over the last twelve months, and is on target to double again during 2009 with 400 vehicles, delivering over 500,000 consignments within the heart of the City.
