## Disassembly & Assembly Services

### **Need help moving furniture or setting up a new space?**

Whether it's a single item or a full office move, our experienced logistics teams are ready to help with care, precision, and speed.

### **We don't just deliver, we assemble.**

Our trained specialists handle on-site disassembly and reassembly of furniture, ensuring everything is securely transported and expertly reinstalled where you need it.

### **Tailored solutions for complex projects.**

Whatever the challenge, we consult with you to identify the issue, present a solution, and deliver with precision, end-to-end.

### **No hassle. No delays.**

From desks and workstations to shelving and more complex configurations, we take care of the heavy lifting, so you don't have to.

### **Operating across London and beyond.**

With a trusted fleet and rapid response capability, including same-day delivery, we're ready for anything.

# Vehicle capacity guide

What vehicle do you need?

	UK Pallet Spaces (non-stack)	Loading Length(cm)	Loading Width (cm)	Loading Height (cm)	Maximum Payload (kg)
Small Van	1	120	120	100	400
SWB Van	2	200	120	120	700
LWB Van	3	300	130	180	1,000
XLWB Van	4	400	135	180	1,000
Luton	6 (8 euro)	300	200	200	1,000
7.5T Truck	10 (12 euro)	600	220	225	2,800
18T Truck	14 (16 euro)	800	250	235	9,000
Artic	26	1,200	250	270	27,00

This is a general guide that can serve as an initial indicator of the vehicle size you might need. All dimensions are approximate and based on empty vehicles. All width measurements have been calculated to include space for wheel arches.

If you need further guidance for a specific booking, please get in touch with our specialist team at [speciallogistics@ecourier.co.uk](mailto:speciallogistics@ecourier.co.uk)
